Dear Director Mr Wihlman,

I am writing to formally make an administrative appeal regarding the administrative silence (lack of response) to a request for information 23/09/2011. Please also find the original request is attached.

The information request that I made was made under the [Act on the Openness of Government Activities](#) and was sent to the Registrar's office email, kirjaamo@trafi.fi. Since this date I have only received an autoresponse on 23/09/2011, yes I have received no response to my request.

According to the law on Act on the Openness of Government Activities, I understand that the timeframe for responding to access to information requests is 15 calendar days. According to my calculations, I therefore understand that my request should have been answered by 08/10/2011 date.

Due to the fact that I have not recieved any response to my request I am therefore making this administrative appeal. I hope that you will be able to find out what has happened to my request and ensure that it is responded to.

I appreciate your time and consideration in dealing with this matter,

Yours faithfully,
