

Dear Mrs. Medland and Mr. Flynn,

I would like to start with my sincere apology for this late reply, unfortunately your questions did not reach us immediately.

After looking into your questions, I found out that the data you requested is not available in our registration system. I work for the Repatriation and Departure Service and found that all of your questions are concerning data of the Custodial Institutions Agency. After contacting the Custodial Institutions Agency I would like to direct to publications on the internet, such as <http://dji.nl/Organisatie/Feiten-en-cijfers/#paragraph1>

Your requested data is not specifically available in the registration systems of the Custodial Institutions Agency. I hope this will help you out with your study. When this information does not help you, I suggest you to contact the Custodial Institutions Agency to find out if they are able to help you in a more sufficient way.

Yours Sincerely,

Astrid Veen
Adviser Repatriation and Departure Service
