Dear Ms. Medland,

Reference is made to your email hereunder and to the attached form which you have filled in. Kindly note that Footnote 1 of the Form stipulates that a copy of the ID card or residence permit of the person making the request is to be provided. From our records it transpires that this document has not yet been provided.

This document is required to prove that the person making the FOI request is an eligible person by being ***"a person who is resident in Malta and who has been so resident in Malta for a period of at least five years ..."***

Regards,

Nathalie Attard
