Dear Mr Kuuluvainen,

Thank you very much for this response, we will follow up if we have any further questions regarding this information.

Could you tell me if you are also dealing with our second request (attached) which I believe was also transferred to you at the Finnish Immigration Service?

Thank you and kind regards,

Lydia

Dear Ms Lydia Medland/cc Michael Flynn

Here is the answer to your request for information on immigration related detention.

1. There is only one detention unit in Finland. It's located in Helsinki; in Metsälä Reception Center.

Persons will be detained according to Finnish Alien Act, not on the criminal basis.

2. The number of people detained during 2010-2012 is following:

adults	accompanied minors	unaccompanied minors
--------	--------------------	----------------------

Year 2010	534	14	3
2011	458	12	4
2012	410	22	4

Most of these people, more than 90 %, are asylum seekers. Either they are in the beginning of the asyl process and are detained because of establishing the identity or the asyl process is in the end and they are waiting the refusal of entry.

With best regards
