Dear Lydia,

I wish to acknowledge receipt of your request for information under the Freedom of information Act (1997) and Freedom of Information Act (2003) regarding Detention of Minors.

This request was forwarded to Mr. Aidan Waterstone, Senior HSE, Children and Family Services Services Mangager for review. The following response was received from Mr. Waterstone:

"The request is for information in regard to children placed in "any form of immigration-related detention".

Children and Family Services does not provide any immigration-related detention facilities.

Children and Family Services provide Special Care services in which children are detained but these are not immigration related.

Children and Family Services also provide Care services for separated children seeking asylum but these are not detention facilities.

As far as I know there are no immigration-related detention facilities in Ireland. There are refugee centres for adults and families but these are not detention centres."

Please advise if above response from Mr. Waterstone is adequate or alternatively you may wish to change the scope of the potential FOI request.

If you require any further information please do not hesitate to contact this office.

Yours sincerely,

Eileen Brophy
