Dear Morgane,

good afternoon. First of, thank you for your contact. We would like to let you know that these matters in Portugal (and Europe) are very sensitive and important for us to give you the reply.

In terms of procedures on the field, we cannot tell you more than what is in the Law. There are internal procedures and tactics that we must keep for ourselves, for the good of the population.

Can you send us more info that attests your Professional ID?

Best regards.

Assunto: Request for information - contact details

Dear Sir or Madam,

I would like to send a request for information to the national police forces, under the Ley no. 46/2007 de Agosto 24 August 2007. It is about police activities in relation to demonstrations and protests.

Could you tell me to which address email I could send it to? Do you have a department handling this type of request (information department for instance)?

I am looking forward to hearing from you,

Best regards,

Morgane Dussud
