Dear FOI Officer,

Thank you very much for your quick reply.

As far as I am concerned, this is not a common procedure to be asked to provide an ID copy. COuld you remind me where such procedure is stated?

I would like to confirm that I am a French citizen living within the EU, therefore I believe I fit the criteria expressed in Article 2 of the Freedom of Information Act.

Could you tell me if such requirement to provide you with my ID copy is really necessary?  
Moreover, are request for information open to non-governmental organisation, or only to individuals?

Many thanks,

Best regards,

Morgane
