

Dear Mrs Medland,

I am writing in reply to your request for information of 07/10/11.
Apologies for our late reply.

The European Organisation for the Safety of Air Navigation ("EUROCONTROL") is not bound by the rules on access to documents developed by the European Union (EU), namely Regulation No (EC) 1049/2001.

However, in the context of the EU's single European sky, the EUROCONTROL Agency is committed to promoting the objective of transparency. It is currently working on adapting its internal data rules on public disclosure. Any gap with Regulation (EC) No 1049/2001 should be brought to a minimum. We also intend to establish administrative procedures for handling requests for data from the general public as from 2012.

For now, your request for access to air traffic management data should be sent to the following address:

EUROCONTROL
Rue de la Fusée, 96
B-1130 Brussels
Email : datapol@eurocontrol.int
Fax : +32/2/729.90.85

More information about EUROCONTROL and the SES can be found here:
<http://www.eurocontrol.int/dossiers/single-european-sky>

Please do not hesitate to contact us for further information.

With best regards,
Javier Balsera
Legal expert

Subject: Access to Documents Request

Dear EUROCONTROL,

I would like to enquire if you are under the remit of the EU Regulation 10/49 on Access to Official Documents. If so I would also like to know what would be the best address to which to send a request for information regarding flight route data.

Regards,

Lydia Medland
